**OFFICE OF PETITIONS**

In re Application of :  
Ulrich FEIGE et al. :  
Application No. 10/645,784 : **DECISION ON PETITION**  
Filed: August 18, 2003 :  
Attorney Docket No. A-527E :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed October 17, 2007, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the final Office action of February 07, 2007. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(III)(A)(2). A three (3) extensions of time pursuant to the provisions of 37 CFR 1.136(a) was obtained. Accordingly, the date of abandonment of this application is August 08, 2007.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) and fee of \$810.00, and the submission required by 37 CFR 1.114; (2) the petition fee of \$1,540.00; and (3) a proper statement of unintentional delay.

The Office acknowledges the notice of appeal filed with the petition and request for continued examination (RCE) on October 17, 2007. However, the RCE withdraws the appeal, which was substantially not needed. Accordingly, the petitioners deposit account no. 01-0519 is being credited the notice of appeal fee of \$510.00.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-4231.

This application is being referred to Technology Center AU 1639 for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the amendment submitted in accordance with 37 CFR 1.114.
